“BeenThereDoneThat”

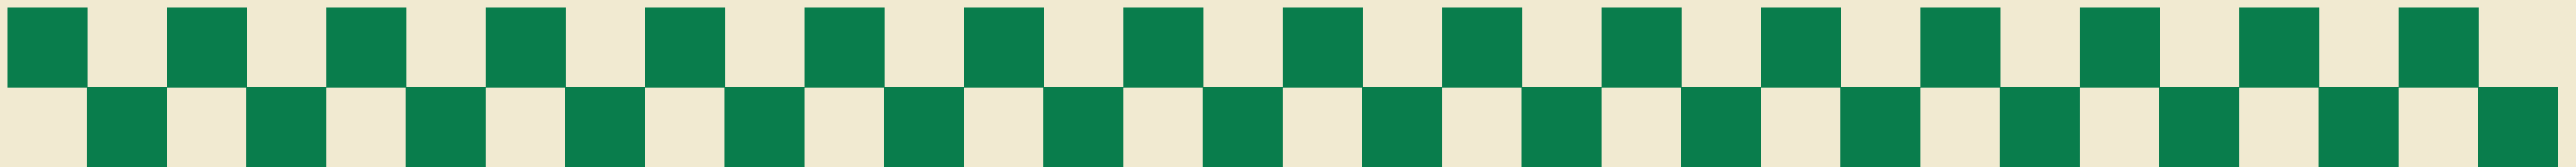

A Journal/Photo Entry App

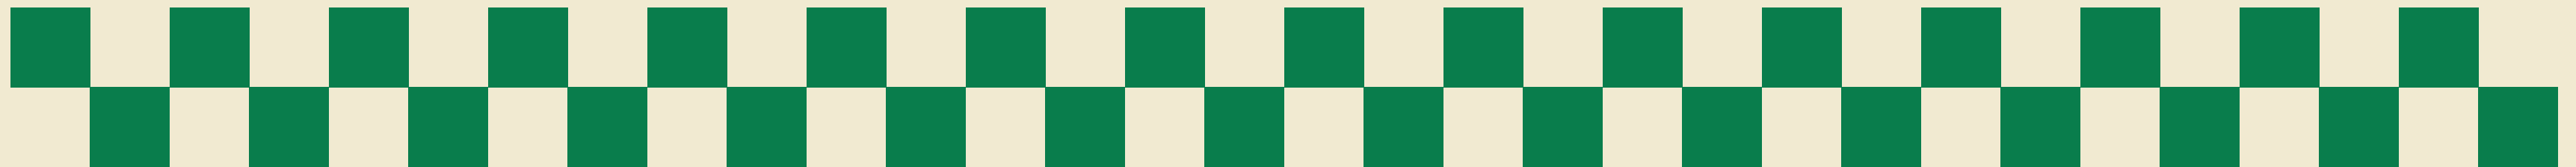

“What is this app”

- A fun journaling and photo entry app
- Has the aspect of Instagram where you upload pictures with a caption, but without the social media aspect
- Ability to create journal entries

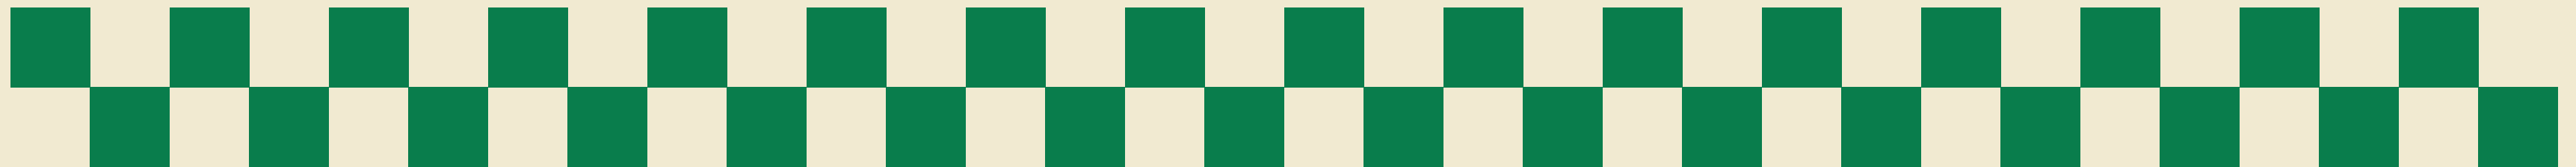

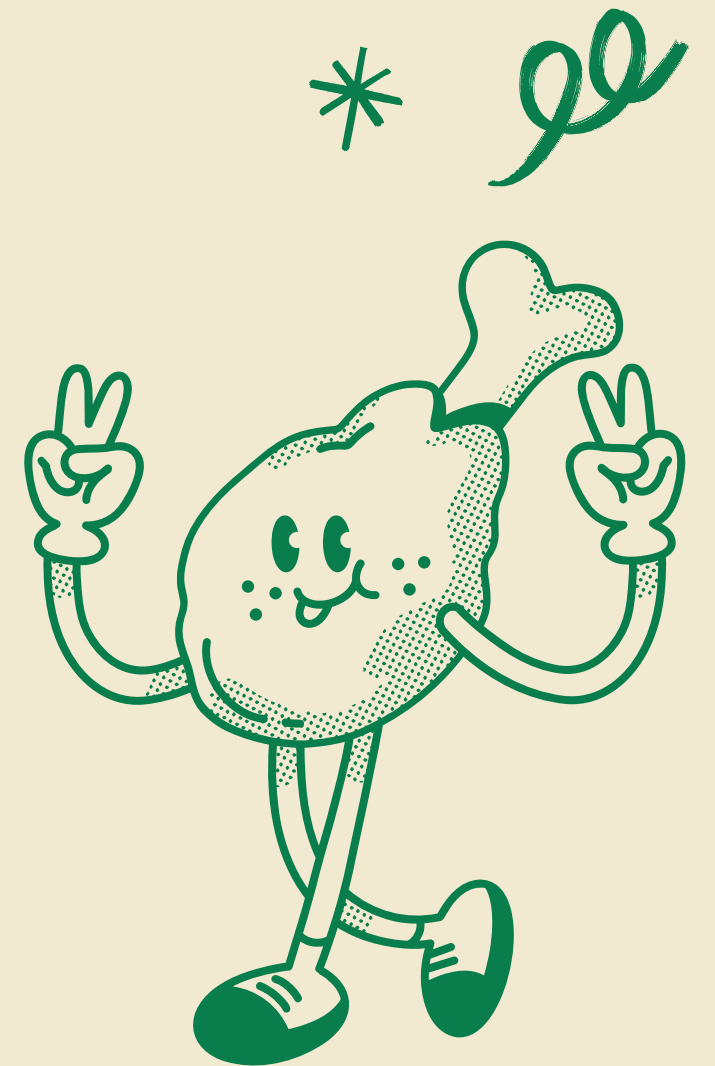

Target Audience

Journal Lovers and people who like to
capture memories through pictures

“Why this app”

- difficult to journal on paper either because im lazy to take out my journal or i don't physically have with me
- nice to easily insert pictures to my journal entries
- tired hands from all the writing
- applicable skills from Mobile App : XCode & Swift & Google Firebase
